Sub: Development of 300MW Wind Power Project with GE (General Electric)

Ref: Regulation 30 of-SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015

Dear Sir/Madam,

This is to notify that KP Energy has tied up with GE Renewables India for developing Wind Power Project of 300 MW (120 Wind Turbine Generators of 2.5 MW each) at Kutch, Gujarat. The project has been won under SECI Bids by a renowned IPP and will be connected with ISTS (Inter State Transmission System) Network in Kutch.

KP Energy will facilitate distinct wind locations, Permits, Wind Data Management, Power Evacuation Infrastructure comprising of 220kv dedicated lines and Pooling Substation as per PGCIL Standards, Site civil works for WTG foundation, logistics & erection.

This is the largest quantum award received at single site in India by both the companies. Team KP Energy is quite delighted to align with GE which is World's prominent wind turbine technology provider and also known for best in class quality, health, safety & environment care during project execution.

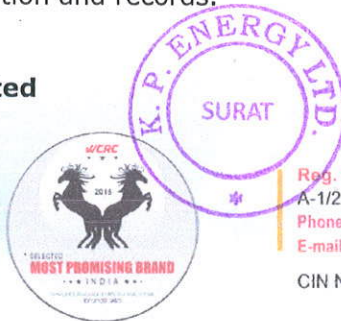

Term Sheet Agreement for the same has been signed with GE India Industrial (P) Limited. The Total Project is planned to achieve full commissioning by September 2019.

The Company has received Approved Purchase Order on April 09, 2018 as well as milestone payments of Rs.11.67 Crores towards deliverables. Final Contracting will follow upon completion of detailed engineering which is expected to be completed in a month's time.

This is for your information and records.

Yours faithfully,
For K.P. Energy Limited

Ashish A Mithani
